

Greetings from The Enitan Story! As this year is coming to an end, we're excited to announce a newly empowerment project expected to take place spring 2015 for victims and survivors of human trafficking. We'll be teaching clients basic sewing skills through a sewing class offered by The Enitan Story. This project will allow Clients to complete small sewing projects such as totes and wristlets that will be sold within the community in which they'll keep 100% of the proceeds received on any item they make!!! It will be your gift to them if you donate today! We are asking for any *gently used* or *store bought* items listed below. Your contribution is greatly appreciated. Happy Holidays!
